MARILYN N 140

Characteristic

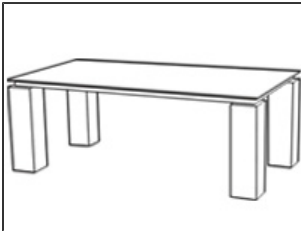

Glamorous dining and conference tables. Artisan top-of-the-line product with unique conception and workmanship.

Design: Jan Grad

Table tops made of float glass with beaten metal plating silver and gold from underneath, real wooden veneers (walnut, black oak) or any desired colour varnish (RAL palette).

The glass table tops do not graze easily. Moreover the beaten metal plating optically decreases marks and dirt.

Pyramid table legs with aluminum plating (density 1mm) or any desired high-gloss colour varnish (RAL palette).

Width: 220 cm

Depth: 105 cm

Height: 76 cm
